Throughout your adventure like Geralt of Rivia, you will have to help others during your missions and fulfill your work as Witcher. This will give you the opportunity to fight against a great variety of enemies such as monsters, ghosts and beasts. Each enemy has its own unique model of attacks that makes all fights a new and exciting experience!The Witcher 3: Wild Hunt is a single player, action video role game developed by Polish studio CD Projekt RED. The game is the third in a series, preceded by The Witcher and The Witcher 2: Assassins of Kings, based on books of the same name as the Polish author Andrzej Sapkowski. Witcher 3 presents the conclusion for the story of the protagonist Geralt of Rivia. The atmosphere of the game is set after the events of The Witcher 2: Assassins of Kings. The plot combines different storyline elements - with the two main ones that are the invasion of Nilfgaard in the North Kingdoms and the search of Geralt to eliminate the Wild Hunt. Witcher 3 introduces an open, living, multi-region world, greater than any other in the history of modern RPG and has been described as 20% larger than Skyrim. The setting is 30 times larger than previous Witcher games, which require players to take a sailing boat for some positions and ride towards others. Official Website: White Orchard - White Orchard is the first open world area you can explore in The Witcher 3: Wild Hunt after finishing the tutorial in Kaer Morhen.
