Maybe even better than free.

Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. We have no file size limit.Unfortunately, we can't make that part free. Keep your files private, or send your download links only to friends or family. Files transferred the old-fashionedway tend to pile up and be forgotten about, eventually costing you money in data storage fees. Alternatively you can choose to share your download links onblogs, forums and social networking sites. No account or credit card is required to get started. Files can be downloaded from any computer from our high speedservers. Our service is completely free for everyone. filehosting provides an easy possibility for you to send large files to your friends. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from ourservers to your friends device. Any file in any format can be uploaded and downloaded for free. You can upload any type of file (movies, music, documents,images, zip files and more). Simply upload your file and share the link. You decide who you want to share your files with. When you use file, you avoid storingthe file you're sending in your cloud storage or mail server. Using file, you can circumvent those limits without paying to upgrade your team chat service. Youdon't need any special software installed to be able to download your files. It is also allowed to link to the download page from websites and communities.There are no restrictions on the number of times a file can be downloaded. You can give this download link to your friends by mail or instant messenger. If onlywe could, we surely would! On the other hand, using file can actually save you money. File is free to use with no gotchas and no hidden fees. So try our freeand simple filehosting service now. The cost of that data transfer is covered by your internet service or the data plan on your phone. Just upload the file youwant to share with your friends and we send you a download link to your file.
